Investing in the life of young generation

A young man who was a student in our ministry 10 years ago when we arrived in Brazil is now the National Leader. Our investment in his life and his dedication to the Lord is a great example of transferring the mantle. Jeiel Medeiros-Lopes is a great man of God and a great leader. We are proud of him, and we know he will lead the ministry with wisdom and love. God has given us many servant-leaders, please continue praying for more volunteers to Brazil so we can reach even more lives for Him.

Baptism: A Bible verse in the real world

All the churches associated with the Rangers ministry in Brazil are baptizing dozens of young people on a regular basis. The ministry leads them to an intimate relationship with the Lord, and the result is a life transformed at a young age and the desire to follow Him into adulthood.

"Train up a child in the way he should go: and when he is old, he will not depart from it." Proverbs 22:6

UPDATE & PRAYERS

PERSONAL: Please pray for our health, finances and safety as we travel to train leaders throughout the country.

FINANCES: Our finances are tight, we need and would love a special offering.

MINISTRY: We need more leaders to minister to the children and loyal leaders to help our ministry in Brazil.
